## INTRODUCTION

In the black of night he stalks his unwitting victims with the passion of a prince and the grace of a wild animal. Able to assume the guise of everything from a shadow on the wall to a jagged-toothed wolf beast, he feeds on the living, sinking his pearly fangs into their fair throats for a drink of their life-giving blood. For he is the Prince of Darkness—Count Dracula—and he's cast his hypnotic spell on your lovely mistress, Mina Murray. Now you, Jonathan Harker, must drive a stake through the heart of this vampire and save the fair Mina from a fate worse than death—eternal life as a vampiress.

## TRAVEL TO CASTLE DRACULA

This is the longest walk you'll ever make. Aside from flights of ravens you'll have to evade hatchet-wielding crusaders.

## INSIDE UPPER CASTLE DRACULA

Welcome! The Old Count has prepared quite a welcome party for you with bats, web-weaving spiders, slime-belching zombies and skeletons in armor.

## INSIDE LOWER CASTLE DRACULA

Deep in the cellar of Castle Dracula lurks an evil underworld of snapping scorpions, ethereal ghouls...and this time, his brides await with sharpened claws and razor-like fangs, while Dracula goes completely batty.

## BONUS ITEMS

### HILLINGHAM ESTATE

The Lone Wolf has escaped from the Hillingham Zoo and has been seen lurking outside the Count's Estate with rats, bats and ravens. Watch your neck and keep an eye out for Lucy—save her before she makes her date in the graveyard with the Wolfen Dracula.

### CARFAX ABBEY

Here's the plan. First make your way through the sanatorium and past a screaming Renfield—good thing he's wearing his straight jacket. Then jaunt into the graveyard past rats and spiders and send a dressed-to-kill Lucy back to her crypt.

### CHASING DOWN THE COACH

Hop on your horse and get set to chase down Dracula in his wagon. Use your skills to duck low branches and jump boulders, play polo with rabid wolves and heavily-armed gypsies, and hog-tie Dracula before he gets to the Castle.

### CONFRONTATION AT THE CASTLE

This is it...The battle for Mina! And Dracula has compiled quite a tag team with his brides, the skeleton warriors, and giant spiders... Survive their wrath and then take on Dracula himself, in his Death Robe form. Remember! Even though Mina looks like she wants your blood, hold your stake...she may just save your life.

Throughout the game there are bonuses hidden within wave patterns or particular enemies.

Extra Man - Harker.

Continue - Book.

Chalice - Energy Replacement.

Garlic - Invulnerability (Limited Time).
